

120th Annual Tontitown Grape Festival

August 7th, 8th, 9th, 10th, 11th, 2018

IT'S ABOUT TRADITION!!

Dear Parishioners,

Attached is the 2018 Grape Festival work list and your car tickets to be bought or sold by you. We ask that you help out in getting as many tickets sold for the vehicle as you can and we greatly appreciate your efforts!

Please note: Tickets will be back to the 6 for \$5 like they have been in the past years, so it is \$1 each or if they buy 5 they get a free chance.

*****We will also be adding back the 2pm Mass on Saturday, August 11th**

We have made many updates to the work list this year so please look for where you will be working and please come and work the time you are assigned or look for someone to replace you if you can not be there for any reason. You can also call the Grape Festival office at 479-361-2615 or contact either the chairman or co-chairman listed below if you are unable to work or would like to be added to the list. If you would like to work in addition to the day/time you have been given that would also be greatly appreciated.

This is my favorite time of the year and we are excited to see everyone come out and enjoy what we have put together for this year and are also excited about the updates and changes that have been made in preparation of this years festival. It takes a tremendous amount of work and cooperation from everyone to make this come together every year and we want to thank everyone in advance for all the work that has already been put in and for all the work that will be done in the upcoming weeks! Let's make this the best year yet and most of all let's show our community what Tradition is all about!!!!
